

મહેન્દ્ર શાહનો નવેમ્બર મહિનાનો કલાસંપુર

Mahendra Shah's month of November Kalasampoot Unauthorized Resident Artist.

Mahendra holds an unofficial resident artist status within the Indian Community in the Greater Pittsburgh Area (USA). Whether for religious, social, patriotic, or fundraising events, he is the trusted individual for art-related projects, even receiving calls in the middle of the night for community service liaison duties. Despite friends playfully likening him to a doctor on call, Mahendra proudly corrects them, stating, "I am always on call, but not as a doctor – as an artist!" He has devoted years to executing diverse art projects for the local Indian community, contributing to everything from drop cloths, effigies, posters, banners, flyers, calendars, to publications. Here are few of his works.
